Tell the others what the film was about. You can use your notes but do not read whole sentences from the paper.

These questions should help you to concentrate on the most important parts:

- What kind of animal is it?
- What are the names of the animals?
- What's the animal's ability? What can they do?
- Interesting facts about the animals?
- What's the name of the animal's owner?
- What do they want to find out?
- What experiments are they doing with the animal?
- What did the owner prove?
- What happened to the animal?
